## Lumber, Shingles, Posts. . .

We are in a better position to sell Lumber than we have ever been before—a big stock, all grades, kiln dried, and our prices are right.

We will make a special effort from this on to sell the Lumber used in the East End of Ford County, and in order to do this we have bought a big stock.

### GOT IT DIRT CHEAP—WILL SELL IT SAME WAY.

Come and examine our stock and get our prices. That is the way to convince yourselves. Also remember that we are headquarters for:

— Implements, Wagons, Buggies, Harness, Builders' and Farmers' Hardware, Barb Wire, Lime, etc.

Respectfully,

**EDWARDS & NICHOLS.**

Dr. E. Benjamin Andrews, the new superintendent of the Chicago schools, recommends the study of Spanish in the public schools. Doctor Andrews is right. So many Spanish speaking people are now under the government of the United States, that a knowledge of the language will be of great value. Of course all instruction in the American schools soon to be established in our islands must be given in English, but for many years the teachers will be expected to know both languages.—Western School Journal.

The storm of Friday afternoon was not confined to a small portion of the State. The rainfall as reported by Observer Todd was 0.94 of inch. The wind velocity was 50 miles an hour, and some slight damage was done. Mr. Todd made three observations for cyclone indications on Friday, for the department at Washington. The fury of the storm is found in a report from Great Bend, which states as follows: "The heaviest wind, rain and electrical storm ever experienced in this section raged in this county last night doing much damage. Trees were blown down, small houses were whirled through the air and many what stocks were untipped, while lightning did some damage. The rain, however, will be of benefit and put the ground in good shape for drilling in the near."

**Harrison Comedy Company.**  
The above named company, under the management of W. P. Daniels, is at the opera house this week. They have been having good houses and are giving excellent performances. Tonight a farce comedy, "Turned Down," will be put on. It is one of the most laughable plays that has ever been produced in Dodge. Saturday afternoon a matinee will be given entitled "The Irish Rivals." This is also a very funny piece, and never fails to please. Prices for the matinee 10 and 20 cents. Saturday evening they will give away three elegant pieces of furniture to the holders of the lucky numbers. They should have big houses the rest of the week as it is as good a repertoire company as we will have the pleasure of seeing this winter. Seats on sale at Gluck's jewelry store.
